

Prize winning catch

GAME FISHING

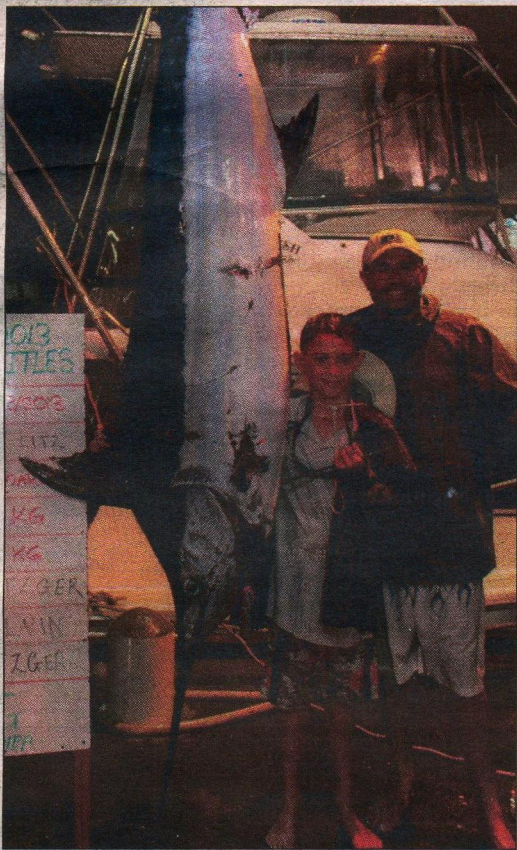

CHEMCARE Group Ltd is pleased to announce a winner of its Anderson's Game Fishing prize, won at this year's PNG GFA National titles.

Madang Resident Gary Litz secured a massive 2045points after he caught an impressive 109kg blue marlin on 8kg line class, during this year's tournament hosted by Madang Game Fishing Club.

Awarded to any angler that successfully catches a 250kg marlin or a marlin that secures 2000 points, it's the first time in 10 years that the Anderson's Game Fishing prize has been picked up.

Chemcare Group Ltd general manager Daniel Kingsaid: "We are delighted to have a winner this year. It is a very difficult prize to win and Gary caught an exceptional fish that deserves recognition."

The Prize has been running for over 20 years.
